Christmas Emergency Help

First try your regular BAN TACS office. Such have been the demands of the COVID disaster that the practitioner is still probably working away behind closed doors.

Alternatively there is our askbantacs service <https://taxquestions.com.au/> if you need an answer but don't want to interrupt anyone's Christmas dinner. You should get an answer within 48 hours.

If you really think your problem needs immediate attention you can ring Julia on 0428381864 but she will not have access to all your files so the answer will be limited to the information you can provide.

While we would much rather you just enjoy a rest over the holiday, it is very important that you don't make major decisions without first contacting us. To this end we will make ourselves as available as we can.
